Computational Cabinets (RTK)

In the RTK (PC pools), the Computer Centre provides students with computers equipped with various software (Adobe products, MATLAB), some of which is otherwise available for a fee. The exact software equipment can be found on the Intranet ([RTK 2](#), [RTK 5](#), [RTK 6](#), [RTK 7](#)). For the use of the software by students outside of lectures, a [Antrag must be submitted to the UniRZ](#).

RTK 2, RTK 5 and RTK 6 are located in the computer centre. RTK 7 is located on the ground floor of the EAZ.
